Specifications

WALLS

Sturdy 47mm x 47mm (45mm x 45mm finished) vertical framework clad with your choice of:

- 16mm (12mm finished) T&G Shiplap
- 19mm (15mm finished) T&G Loglap

FLOOR

Storrington Corner Sheds boast a 19mm (15mm finished) T&G matchboard floor on 47mm x 47mm pressure treated floor joists with an option to upgrade to a heavy duty 18mm Caberboard floor. All Dutch Barns are upgraded to 18mm Caberboard as standard.

ROOF

16mm (12mm finished) T&G on sturdy roof purlins and covered with a heavy duty polyester based roofing felt. There is an option of cedar shingles or long-life felt tiles if you prefer something a little more decorative.

HEIGHTS

There is a generous internal height on all models as stated on the product descriptions below. All external roof heights comply with the 2.5m maximum height restriction imposed when erecting a building under Permitted Development.

WINDOWS

There is a choice of four window styles: Classic (larger panes with at least one opening sash), Georgian (small square panes - all fixed), Security (short high-level 'pillar box' style) or alternatively the building can be supplied without windows. The precise number of panes will vary depending upon the building size and configuration. All glass is toughened for safety.

BUILDING STYLES

Durrington Dutch Barn - A popular building with a unique style roof of generous proportions which is ideal for storing larger items or simply creating a feature in your garden. Internal heights are 1.75m (5' 8") at the lower eaves rising to 2.06m (6' 7") at the middle ridge and 2.31m (7' 7") at the upper ridge. Every building is fitted with a 1.5m (5') wide double door.

Ditching Dutch Barn Deluxe - An upgraded version of the Durrington with the same basic specification however the doors are upgraded to an extremely heavy duty joinery made version. Additionally the building gains a sturdy shelf/loft to the rear of the building and an attractive window above the doors.

Storrington Corner Shed - A delightful corner shed with a unique Apex style roof which is available in sizes from 1.8m x 1.8m (6' x 6') up to 2.7m x 2.7m (9' x 9'). Lowest internal height on all buildings is 1.82m (6') rising to 2.06m (6' 9") on 1.8m, 2.1m and 2.4m (6', 7' and 8') models and 2.13m (7') on 2.7m (9') models. There is a choice of Classic or Georgian window styles and, if desired, you can upgrade the standard 0.76m (2' 6") wide framed, ledged and braced door to an optional half glass Georgian door.
